McGee's Last Poem.

The following poem appears in the current number of the New Democratic Monthly. We reproduce it not only because it is a masterpiece of poetry, but because it is a masterpiece of patriotism.

"PRIMA VISTA."

By the Hon. T. M. McGee.

"Land! Land! how welcome is the word To all who love their country's good."

"A white line drawn along the shore, To mark the spot where freedom's door."

"It seems to be a glorious thing, To hold the key to freedom's ring."

"Amen! 'tis so, to all sweet poets, Who love to sing of freedom's notes."

"No noble stanza shall I write, Nor shall I sing of freedom's light."

"An hour I seem to have been dead, To all who love their country's good."

"By the Hon. T. M. McGee.

Feeling Preparing.

It is very evident that the Fenian organization in the United States has not given up the idea of the conquest of Canada.

It is very clear that though they have not made much noise for the past six months, they have not been idle.
